My intent from the talking points below was to capture the highlights from the Gantt chart but not explicitly describe all tasks. My use of the term **Ex. 5 Deliberative Process (DP)**

FYI...Please see the talking points that I sent to Jeaneanne this morning regarding the highlights of our 120 day review period, which was pulled from our Gantt chart. I believe this is accurate, but if anyone sees an error please respond accordingly. Thanks!

Jeaneanne – For this morning’s biweekly call with Dave Ross and Mary, please see the suggested talking points regarding the agenda topic “schedule/milestones during EPA’s 120-day review”. This probably includes more detail than you would present, but you’ll have the details for context or in case questions or asked. Please let me know if you have questions or need any additional information. Tom

- FDEP staff are targeting the end of this week (July 31) for submitting their formal request to assume the 404 program.
- The EPA team is utilizing a Gantt Chart to assist with planning all of the tasks and steps that need to occur once we receive an assumption package from Florida.
- The regulations allow EPA 30-days to determine whether the package is complete
